International Women's Day- Dr Noelle Sunstrom

March 7, 2018 | Opinion

Dr Noelle Sunstrom, CEO, NeuClone, Australia

Dr Noelle Sunstrom is a Sydney based molecular biologist and CEO of NeuClone, a biopharmaceutical company that develops and commercializes high quality biosimilars. She has over 20 years of experience in the biopharmaceutical industry including more than 10 years of executive experience in biopharmaceutical companies.

On the occasion of International Women's Day, Dr Noelle Sunstrom shares her personal side with BioSpectrum-

My Daily Routine-

I wake up usually at 6am. After abolutions, I have breakfast with my husband, then shower, dress, breakfast and start with the rest of the day.

My idea of fitness and nutrition-

Fitness and nutrition are extremely important to me. I enjoy daily exercise

My favourite cuisine- Vietnamese

My favorite holiday destination- Bora Bora

My idea of balance between personal and professional life-

Both are equally important and both define who I am.
