

Orchard Therapeutics announces Pricing of its IPO

31 October 2018 | News

Orchard's ADSs are expected to begin trading on The Nasdaq Global Select Market on October 31, 2018, under the ticker symbol "ORTX."

Orchard Therapeutics plc a biopharmaceutical company dedicated to transforming the lives of patients with serious and life-threatening rare diseases through autologous ex vivo gene therapies, announced the pricing of its initial public offering in the United States of 14,285,715 American Depositary Shares ("ADSs") representing 14,285,715 ordinary shares at an initial public offering price of \$14.00 per ADS, before underwriting discounts and commissions.

In addition, Orchard has granted the underwriters a 30-day option to purchase up to an additional 2,142,857 ADSs at the initial public offering price, less the underwriting discounts and commissions.

Orchard's ADSs are expected to begin trading on The Nasdaq Global Select Market on October 31, 2018, under the ticker symbol "ORTX." Each of the ADSs is being offered by Orchard.

The gross proceeds of the offering, before deducting underwriting discounts and commissions and other offering expenses payable by Orchard, are expected to be \$200.00 million, excluding any exercise of the underwriters' option to purchase additional ADSs. The offering is expected to close on November 2, 2018, subject to the satisfaction of customary closing conditions.

J.P. Morgan, Goldman Sachs & Co. LLC and Cowen are acting as joint book-running managers for the offering, and Wedbush PacGrow is acting as co-manager.

Registration statements relating to the ADSs being sold in this offering have been filed with the Securities and Exchange Commission and became effective on October 30, 2018.
