2019 ENMORE BIO CONFERENCE set to host biotech industry in China

December 18, 2018 | News | By Priyanka Bajpai

EBC 2019 is cohosted by I-MAB BIOPHARMA, FosunKite, Hrain Biotechnology, 3S BIO Inc, 3D MED, DIAN Diagnostics and IQVIA.

Singapore - 2019 ENMORE BIO CONFERENE will be held on 1st-3rd, March, 2019 in Nanjing Young Cultural Center, Nanjing, China.

2019 ENMORE BIO CONFERENE(2019 EBC) is organized by ENMORE, attracting 2500+ attendees, a presence of more than 800 companies and 8 co-conferences, all under one roof. The event opens up opportunities to come together for intensive networking and to discover new opportunities and promising partnerships. It brings a wide spectrum of life science and application areas including antibody drugs, molecular diagnostics, cell therapy and investment.

Since the very beginning, EBC has been the right place to get in touch with China Biotech industries. The conference brings together many decision makers from local giant CMOs and biopharma companies, and networking and new business opportunities are vast.

EBC 2019 is cohosted by I-MAB BIOPHARMA, FosunKite, Hrain Biotechnology, 3S BIO Inc, 3D MED, DIAN Diagnostics and IQVIA. 2019 ENMORE BIO CONFERENCE is a chance you should not miss. Come to China, See the change!
