SI Group appoints David Bradley as President and CEO

March 12, 2019 | News

Bradley is the company's new President & Chief Executive Officer, effective March 18, 2019

SI Group, a leading global developer and manufacturer of performance additives, process solutions, pharmaceuticals and chemical intermediates, announced the appointment of David Bradley as the company's new President & Chief Executive Officer, effective March 18, 2019. David will assume the role held by interim CEO, David Mezzanotte, Director at SK Capital Partners.

Bradley comes to SI Group having most recently served as President and Chief Executive Officer of Nexeo Solutions, a publicly held, international distributor of chemicals, plastics and environmental services based in Houston, Texas. Previously, he spent seven years at Kraton Performance Polymers where he held the role of Chief Operating Officer and led a significant global transformation of the business. Bradley holds a B.S. in Chemical Engineering from the University of Louisville and began his career at GE Plastics.

Jack Norris, Managing Director of SK Capital, added, "We wish to thank David Mezzanotte for his outstanding leadership as interim CEO while we finalized the search for SI Group's next leader. He provided continuity and strategic counsel, all while keeping the company focused on its near-term priorities. We look forward to David Bradley continuing this momentum with a seamless transition."
