The International Society for Pharmaceutical Engineering (ISPE) Singapore Affiliate to be held from 26 to 28 August 2020

The International Society for Pharmaceutical Engineering (ISPE) Singapore Affiliate is pleased to announce that the 20th Anniversary of the Singapore conference is now confirmed for 26 to 28 August 2020 at Suntec Convention Centre.

With a record of 1000+ participants, the ISPE Singapore Conference and Exhibition broke new ground in 2019. We saw a strong presence of Pharma and Manufacturers, supported in an equal measure by Regulators, EPCM, and various other stakeholders and service providers.

As one of the largest pharma manufacturing shows in the region, the conference keeps track of innovation, and constant need to change in the industry. The 20th edition will address global developments and trends and features cutting-edge case studies and best practices in the region.

Provisional conference tracks in 2020 are as below, however, do fill in the Call for papers and Industry Survey to tailor your conference focal points.

- AI and Machine Learning in Pharma Manufacturing
- Regulation and Compliance
- Product Quality and Monitoring (QbD & PQLI)
- Data Integrity and GAMP
- Packaging, Track and Trace
- Biologics
