Finding Cures in the Crisis

A New Transformation

After the tremendous success of the inaugural BIO Asia–Taiwan 2019 International Conference and Exhibition, the Biotechnology Innovation Organization (BIO) and the Taiwan Bio Industry Organization (Taiwan BIO) jointly announced that the event would be held again in 2020. But the COVID-19 pandemic has necessitated a transformation of the event into an mix of online and live formats: **BIO Asia–Taiwan 2020 Online + Live**, to be held as originally scheduled on **July 22-26, 2020**

Still, Your Best Opportunity to Connect

The exciting new structure will expand the reach of this international conference bringing together biopharma executives and investors from North America, Europe, and Asia to online and live spaces in Taipei, Taiwan. BIO Asia-Taiwan 2020 Online + Live will still be your best opportunity to connect with the region's emerging biotech sector, and with no geographical restrictions, we expect to attract an even wider participation of global biotech professionals than ever before.

Online Conference

The 3-day online conference will focus on the following topics:
• Combating the Pandemic
• Advanced Therapies
• Precision Medicine
• Digital Health
• Investment & Collaboration
