

Evonik brings Jerod Price on board

28 July 2020 | News

Price has joined the company in the role of Director Drug Delivery Manufacturing at the Birmingham site, Alabama, USA.

German firm Evonik Industries is pleased to welcome Jerod Price to the Evonik Health Care team. Price has joined the company in the role of Director Drug Delivery Manufacturing at the Birmingham site, Alabama, USA.

He was previously serving the American multinational biopharmaceutical company Amgen where he has spent bulk of his career.

Evonik Health Care is a business line of Evonik Operations GmbH. It partners with the world's pharmaceutical, medical device and nutraceutical companies to advance human health.
