CPhI South East Asia team working on comprehensive CPhI South East Asia Online business matchmaking platform.

In light of the ongoing travel restrictions impacting industry participation and in consultation with all partners and key industry stakeholders, Informa Markets in Thailand, the organizers of **CPhI South East Asia 2020 has decided to postpone its event, scheduled for 4-6 November 2020 at Impact, Muang Thong, Thani, to 18-20 May 2021 at the same venue.**

During these times, it is more needed than ever before that the pharmaceutical industry has platforms to come together. With this in mind, we are working on a comprehensive **CPhI South East Asia Online business matchmaking platform**, to break the physical restrictions and facilitate unlimited connections among global pharmaceutical companies during this unprecedented time.
