Job Description

Refers to the development of business and marketing plans for assigned products/brands. Involves participation in the evaluation of market research, market positioning, promotions, public relations, and advertising associated with assigned brands/products.

IPSEN is committed to equality of opportunity for all staff and applications, individuals are encouraged to apply regardless of age, disability, sex, gender reassignment, sexual orientation, pregnancy and maternity, race, religion or belief and marriage and civil partnerships.

Ipsen is a global specialty-driven biopharmaceutical group focused on innovation and Specialty Care. It develops and commercializes innovative medicines in three key therapeutic areas - Oncology, Neuroscience and Rare Disease. Its commitment to oncology is exemplified through its growing portfolio of key therapies for prostate cancer, neuroendocrine tumors, renal cell carcinoma and pancreatic cancer. Neuroscience is advancing at an unprecedented rate and Ipsen is at the forefront of this transformation.

Ipsen also has a well-established Consumer Healthcare business.

With total sales close to €2.5 billion in 2020, Ipsen sells more than 20 drugs in over 115 countries, with a direct commercial presence in more than 30 countries. Ipsen's R&D is focused on its innovative and differentiated technological platforms located in the heart of the leading biotechnological and life sciences hubs (Paris-Saclay, France; Oxford, UK; Cambridge, US). The Group has about 5,700 employees worldwide.
