The famous Eppendorf epT.I.P.S.Ã?Â® Box in new design

September 8, 2021 | News

Reusable with reloads and bulk ware

Click here to know more

Unlimited refilling with the pipette tips of your choice – Our video shows the newly designed epT.I.P.S. Box 2.0 with optimized functionalities in conjunction with our non-sterile autoclavable reloads.

The characteristic horizontal line design of the front view and the iconic Eppendorf Blue are recognizable in modified forms on the new Box 2.0. Learn how easy it is to place our reloads into the box.
