Taiwantrade.com presents top-of-the-line healthcare products

Taiwantrade.com is presenting a Senior Care and Wellness Online Showcase from November 2021 to January 2022, featuring high-quality products and suppliers in the professional field of aged-care, healthcare, and wellness industries from Taiwan.

Among the featured products on display are medical braces & supports, healthcare & rehabilitation equipment, compression socks, wheelchair retractors, hydrocolloid wound dressing, haircare & salon products, etc.

With the pandemic still raging, the Senior Care and Wellness Online Showcase provides buyers with easy and safe access to a wide array of quality products from Taiwan.

IRUFA, an expert of 3D elastic knitted spacer fabric braces, presents a full line of sporting and medical supports, magnetic therapy, and far-infrared ray therapy products.

GRACE CARE is a professional supplier of braces and supports, orthopedic rehabilitation equipment, and sports protective equipment. MISHENG specializes in the design and manufacturing of healthcare products such as electrotherapy treatment garments, electrical stimulators, and the moist heating pad.

Also joining the showcase are LE SHIN, presenting medical socks and regular compression stockings in different lengths and materials, and TRIDA, showcasing its collection of hydrocolloid wound dressing products such as hydrocolloid plaster, acne pad, footpad, and adhesive bandage.
