

Governor of Bangkok, Chadchart Sittipunt to Headline Asia Pacific Rail's 25th edition

04 April 2023 | Company results

Asia Pacific Rail 2023 has long been established as Asia's leading event for rail innovation, technology, and strategy.

The Governor of Bangkok, Chadchart Sittipunt, will deliver the opening keynote address at the upcoming Asia Pacific Rail 2023 on 31 May 2023 at BITEC, Bangkok, Thailand.

Governor Chadchart will share insights on his plans to develop and enhance Bangkok's rail networks and infrastructure. This keynote is expected to attract a large audience of rail and trade industry leaders from Thailand and the Asia Pacific region.

His address coincides with the first anniversary of his tenure as governor. Since assuming the role, Governor Chadchart has made the transformation and modernisation of rail and transport infrastructure a key focus for the city.

As a former transport minister, he has also previously advocated for the development of high-speed train projects in the country. "The event is celebrating its 25th edition this year, and I'm happy to have it hosted in Bangkok, welcoming more than 2,500 rail leaders from across the region. I hope you could join me and everyone else, so that we can all connect and find business opportunities to improve our rail networks and infrastructures," says Chadchart Sittipunt, Governor of Bangkok.

"We are thrilled to have Governor Chadchart as our opening keynote speaker this year," says Paul Clark, Managing Director for Terrapinn Asia.

"With such impressive and relevant experience for our attendees, I could not think of a better opening for our 25th anniversary edition of Asia's largest rail event. Following Governor Chadchart's address, leading rail operator executives from across the region will also be sharing their insights, together making an unmissable start to the event".

Asia Pacific Rail 2023 has long been established as Asia's leading event for rail innovation, technology, and strategy. The two-day event will be its biggest ever edition, with more than 2,500 senior rail leaders from across Asia expected to attend, comprised of attendees from rail operators, rail authorities and rail technology innovators.

As outlined, Governor Chadchart's keynote address will kickstart a packed conference programme that will be headlined by heads of key Asian rail players, including BTS, Department of Rail Transport, Government of the HKSAR, Land Transport

Authority Singapore, Light Rail Manila Corporation, Light Rail Transit Authority, MTR Corporation, PT MRT Jakarta, SBS Transit, and SMRT Corporation.
