India and Israel to enhance partnership in innovation and startups

May 4, 2023 | News

Sign MoU on Industrial Research and Development Cooperation with focus on several key technology areas

India and Israel will enhance partnership in areas like innovation and startups and usher in a new phase of deeper bilateral collaboration. This was stated by Indian Union Minister of State (Independent Charge) Science & Technology Dr Jitendra Singh when a high-level Israel delegation led by Dr Daniel Gold, Head of DDR&D, Israeli Ministry of Defence, called on him in India recently.

On the occasion, India and Israel signed a Memorandum of Understanding (MoU) on Industrial Research and Development Cooperation with focus on several key technology areas, like Aerospace, Electronics Instrumentation, Civil, Infrastructure & Engineering, Ecology, Environment, Earth & Ocean Sciences and Water, Mining, Minerals, Metals & Materials, Chemicals and Petrochemicals, Energy (Conventional & Non-Conventional) and Energy Devices, Agri, Nutrition & Biotech and Healthcare.

The Multi-Sectoral Agreement was signed between CSIR and Directorate of Defense Research and Development (DDR&D), Ministry of Defense of the State of Israel, in the presence of Union Minister for Science & Technology, Dr Jitendra Singh at the Council of Scientific & Industrial Research (CSIR)-Science Centre, New Delhi.
