Visitor Registration Opens for analytica Vietnam 2025 Ã¢â?¬â?? The Largest Edition Yet!

March 3, 2025 | News

With two exhibition halls, 300+ global exhibitors, and cutting-edge innovations in laboratory technology, analysis, and biotech, analytica Vietnam 2025 promises an unmissable industry experience from April 2-4 in Ho Chi Minh City.

- **Visitor Registration is Now Open:** www.analyticavietnam2025.events-regis.com/

- **Two exhibition halls featuring the latest in laboratory technology, analysis, and biotech solutions.**
- Over 300 exhibitors and brands from across the globe, offering cutting-edge products and innovations.
- New features like the Start-Up Pavilion, Live Lab Demo, Innovation Zone, and Lab Design & Construction Forum.

a**nalytica Vietnam 2025**, the country's largest and most influential trade fair for laboratory technology, analysis, and biotechnology, is set to return bigger than ever. Taking place from **2-4 April 2025** at the **Saigon Exhibition and Convention Center (SECC)**, **Ho Chi Minh City**, this 8th edition will be the largest in the event's history, expanding to two exhibition halls and welcoming over 300 exhibitors and brands, and 6,000 trade visitors from across the region.

Endorsed by the **Ministry of Science and Technology** in Vietnam and supported by the National Agency for Science and Technology Information (NASATI), Center for Science and Technology Information (CESTI), Key Laboratory of Analytical Technology for Environmental Quality and Food Safety Control (KLATEFOS), VNU, Federal Ministry for Economic Affairs and Climate Action of Germany, and the Association of Small & Medium Enterprises (Singapore), analytica Vietnam 2025 continues to uphold its reputation as a leading industry event.

Global Participation and Networking Opportunities

This year's edition will see extensive global participation, with dedicated pavilions from Germany, Singapore, and China, alongside exhibitors from Vietnam, Malaysia, Japan, South Korea, the UK, Switzerland, France, Spain, Turkey, India, and the USA. The event continues to serve as a premier platform for networking, innovation, and business development in the industry. **Michael Wilton, Managing Director of MMI Asia**, the organizer of analytica Vietnam, expressed, *"The*

continuous growth of analytica Vietnam reflects the increasing demand for advanced laboratory and analytical solutions across Vietnam and the region. Expanding to two halls not only accommodates more exhibitors but also opens up new avenues for collaboration, knowledge exchange, and innovation. We're excited to welcome professionals from all over the world to experience our largest and most comprehensive edition yet."

What to Expect at analytica Vietnam 2025?

- **Academic Conference:** Learn from internationally renowned experts as they share research, trends, and findings on topics such as Environmental and Green Chemistry, Food and Quality Control, Pharmaceutical Analysis & Health Science, and Future Technologies.

- **Live Lab Demo:** This interactive feature brings advanced analytical instruments, automation, and testing procedures to life, allowing visitors to witness real-time applications across various industries.
- **Innovation Zone:** A dedicated area showcasing the newest and most groundbreaking products in laboratory technology, analysis, and biotech solutions.
- **Lab 4.0 Exhibitor Forum:** Explore a range of innovative technologies and solutions transforming laboratory operations. Topics will include automation, digitalization, advanced data analytics, new materials, and cutting-edge techniques in laboratory management and research.
- **Lab Design and Construction Forum:** Gain insights into the latest trends in lab design, energy-efficient solutions, sustainable practices, and innovative layouts. Industry experts and renowned speakers will share their expertise on creating modern laboratories that meet both functionality and environmental standards.
- **Lucky Draw:** Stand a chance to win exciting prizes sponsored by our esteemed exhibitors.
- **Hosted Buyer Program:** The largest program yet, with key buyers from Vietnam, Cambodia, Thailand, and Malaysia, invited for exclusive business meetings with exhibitors.

Vincent Au Yeong, **Country Manager of ITS Vietnam,** the event's Bronze Sponsor**,** shared, *"As a customer of analytica Vietnam for nearly 10 years, I have witnessed the event's growth and the valuable benefits it brings each year. The continuous development of analytica has reinforced our confidence in its ability to provide insights, foster partnerships, and stay ahead of industry trends. We're proud to be part of this long-term journey and look forward to further growth together. We can't wait to meet both our longtime and new customers here."*

Top 15 Products You Can Look Forward to Seeing at the Exhibition:

- **Mixer Mill MM 400 by ITS**
- **PacBio Revio/Onso Sequencing System by DKSH**
- **Xevo MRT Mass Spectrometer by Waters**
- **Liquid Chromatograph Mass Spectrometer by Shimadzu**
- **epMotion 5075 by Eppendorf**
- **Biosafety cabinet, Tangerine by Oriental Giken**
- **High-Speed Amino Acid Analyzer LA8080 by 2H Instrument**
- **EMC Magnetic Cell Holder by EMCLAB Instruments GmbH**
- **Hot Head by ELDEX CORPORATION**

- **Gas generator for TOC Gas Analysis by cmc Instruments GmbH**
- **Sykam Amino Acid Analyzers by Hoa Viet Co., Ltd**
- **SCIEX ZenoTOF 7600 SCIEX ZenoTOF 7600 LC-MS/MS System Model: ZenoTOF 7600 by Viet Nguyen Co.,ltd**
- **Avio 550 ICP-OES - Perkin Elmer**
- **MIRI® Time-Lapse Incubat or by ESCO**
- **AI - RIDA®SMART APP Allergen (2024) by R-Biopharm**

Be Part of analytica Vietnam 2025 – Register Today!
