

Take gets Oracle PartnerNetwork specialized status

28 November 2012 | News | By BioSpectrum Bureau

Chennai: Take Solutions, a leader in the supply chain management (SCM) and life sciences domains and a Gold level member of Oracle PartnerNetwork (OPN), achieved OPN specialized status for Oracle Argus Safety Suite.

To achieve a specialized status, Oracle partners are required to meet a stringent set of requirements that are based on the needs and priorities of the customer and partner community. By achieving a specialized distinction, Take Solutions has been recognized by Oracle for its expertise in delivering services specifically around Oracle Argus Safety Suite through competency development, business results and proven success.

Achieving the specialization for Oracle Argus Safety Suite demonstrates TAKE's proficiency in Oracle's drug safety and pharmacovigilance solution, as well as its overall commitment to Oracle Health Sciences applications.

Mr Ram Yeleswarapu, president and CEO, Take Solutions stated, "This is a significant milestone for Take Solutions. We are thankful for the recognition by Oracle and our clients in our commitment to Oracle Argus Safety Suite in the area of drug safety and pharmacovigilance. We are confident that our clients can benefit from these innovative systems."

"By achieving specialization for Oracle Argus Safety Suite, Take Solutions has demonstrated an expertise and understanding of Oracle Health Sciences software that can provide significant benefits for customers. We congratulate Take Solutions on its OPN specialization," said Mr Neil de Crescenzo, senior vice president and general manager, Oracle Health Sciences.
