

Srinubabu Gedela is FABA vice president

16 October 2013 | News | By BioSpectrum Bureau

Hyderabad: Mr Srinubabu Gedela, chairman and chief executive officer of OMICS Group, has been elected as vice president of Federation of Asian Biotech Association (FABA) at the general body meeting of FABA held in Hyderabad, India, recently.

"Gedela's representation and services are critical in enhancing global growth of FABA," Mr BS Bajaj, FABA-secretary general, said in a release.
