China Pharma Q3 2014 revenue dips by 31%

Singapore: China Pharma Holdings' third quarter revenue has slid down by over 31 percent touching \$5.5 million from \$8.1 million in the previous year.

According to the company, the loss of \$2.3 million is incurred due to a natural disaster during the period. The operating loss for the three months ended September 30, 2014 was \$6 million, compared to operating loss of \$2.7 million in the same period in 2013.

The company has stated that due to a typhoon in July 2014, the manufacturing facilities suffered considerable damage along with suspension of water and electricity supply for several days.
