

A great leader'

19 March 2012 | News | By BioSpectrum Bureau

"Dr Wang has great vision for Sundia and her leadership makes it possible for us to see tremendous growth. She has successfully led Sundia to navigate through the global financial crisis in 2009, which demonstrated her outstanding leadership"

-Dr Jiong Chen, Vice President of Chemistry, Sundia MediTech Company

"It is not easy for a woman to become an industry leader, especially in Asian countries. Dr Wang accomplished that as she has successfully led Sundia to become one of the top CRO companies in China"

-Dr Sandra (Songjun) Cai, Vice President of Analytical Department, Sundia MediTech Company
