GMP/GLP-Compatible CO2 Incubator CellXpertÃ?Â® C170i

August 18, 2022 | News | By Product Spotlight

Brought to you by Eppendorf

Today's cell culture requires more than technical solutions for optimized growth conditions and efficient contamination prevention. The CellXpert C170i CO2 incubator from Eppendorf is a third party certified ISO class 4 / GMP grade A cleanroom compatible CO2 incubator. It supports cell culture work in GMP and GLP environments with the following features and certificates:

- ISO class 4/Grade A cleanroom compatible
- Extended production certificate of quality
- Pdf event and parameter logging
- Effectiveness of high temperature disinfection (HTD) certificate
- Temperature homogeneity certificate (DIN 12880)
- Parameter and event data log plus export and more
