**Sings MoU to introduce Sunway Healthcare Group's services to over 156 million JCB cardmembers globally**

PT JCB International Indonesia, subsidiaries of JCB International Co., Ltd. (JCB) and Sunway Healthcare Group, one of the leading integrated private healthcare groups with a network of hospitals and healthcare services in Malaysia, announced a collaboration to promote medical tourism to Malaysia, by introducing Sunway Healthcare Group’s services to over 156 million JCB cardmembers globally.

As part of the collaboration, Sunway Medical Centre (SMC), one of Malaysia's largest private quaternary hospitals under the Sunway Healthcare Group in Sunway City, Kuala Lumpur, plans to offer preferential wellness packages and other value-added services to JCB cardmembers. SMC offers a full range of medical and surgical solutions with 28 centres, around 700 beds, around 500 consultation suites, and more than 300 specialists and 60 medical specialties.

Hiroko Michishita, Managing Director of JCB International Asia Pacific with jurisdiction over Singapore and Malaysia, who facilitated the signing of the agreement said, “JCB cardmembers from all over the world will find SMC’s range of facilities and services to be extremely compelling”.
