China Life Science Conference and China Life Science Expo (CILSE) Set to Drive Innovation and Collaboration in Guangzhou

March 7, 2024 | News

Guangzhou, China Ã¢â?¬â?? The 2024 China Life Science Conference and Expo (CILSE)

The China Association for Science and Technology (CAS) Consortium of Life Sciences Societies is proud to announce the upcoming **2024 China Life Science Conference and China Life Science Expo (CILSE)**, scheduled to take place from **June 1st to 3rd, 2024,** at the China Import and Export Fair Complex in Guangzhou, China.

CILSE has evolved into a premier event within the life science community, gaining recognition for its high-level conference specifications, expansive scale, robust academic leadership, and deep industry integration. Building on this reputation, the 2024 edition aims to elevate academic value and global influence, fostering international collaboration and knowledge exchange in the fields of life science and health.

The conference will feature keynote addresses by esteemed academicians, experts, professors, and international leaders in life science, covering a wide array of topics crucial to the future of the industry. With over 30 thematic sub-forums, the event will delve into the forefront of life science research and innovation.

The accompanying expo will showcase groundbreaking advancements and innovative achievements in molecular diagnostics, antibody drugs, cell and gene therapy, mRNA, epigenetics, single-cell analysis, multi-omics, biological big data, vaccines, antibodies, exosomes, tumor early screening, tumor detection, organ transplantation, and more. By adopting a new model of "academic conference + exhibition," CILSE aims to facilitate multidisciplinary collaboration and foster synergies across the entire life science ecosystem.

Event Highlights:

- Keynote addresses by 10+ academicians of the Chinese Academy of Sciences and Chinese Academy of Engineering
- 30+ thematic sub-forums addressing key issues in life science research and development
- Expected attendance of over 20,000 professional visitors
- Exhibition spanning 50,000 square meters of exhibition hall area

Target Audience: Universities, hospitals, medical institutions, research institutes, biopharmaceutical companies, distributors, agents, vaccine/antibody companies, biotechnology companies, biosimilar drugs, production solution providers, life science and analytical equipment providers, diagnostic and testing equipment suppliers, and more.

Previous Participants: Past editions of CILSE have attracted esteemed academicians, experts, corporate leaders, and exhibitors from around the globe, fostering a dynamic environment for collaboration and innovation.

Expo Scope: The expo will feature a comprehensive range of products and services, including laboratory equipment, biochemical instruments, reagents/consumables, biotechnology and R&D services, medical testing and in vitro diagnostics, biopharmaceuticals, bioinformatics, and more.

Contact Information:

For exhibition and conference participation, Ms. Qu Lihe, Tel: 181 2276 5499

For business cooperation inquiries, Mr. Xia at Tel: 139 0227 1716

Address: Room 401-402, Tower T6, Maritime Silk Knowledge Center, China-Singapore Knowledge City, Huangpu District, Guangzhou City

Tel: 020-8251 1891

Email: 786012162@qq.com / 15920375756@163.com
